
APPENDIX V-B: DOCUMENTATION OF SPEECH-LANGUAGE PATHOLOGY KNOWLEDGE AND SKILLS WITHIN THE CURRICULUM

Provide the course number and title for the academic and clinical course(s), practicum experience(s) and other source(s) of experience that provide students opportunity to acquire knowledge and skills across the SLP curriculum.

Basic Communication and Swallowing Processes	Academic Course Title and #	Clinical Course Title and #	Practicum experience Title and #	Labs Title and # Or description	Research Title and # Or description	Other Title and # Or description
Biological, neurological, acoustic, psychological, developmental, and linguistic and cultural bases	3100, 5070, 6120, 6130, 3400, 5200					
Speech, Language, Hearing, Communication, and Swallowing Disorders and differences	Academic Course Title and #	Clinical Course Title and #	Practicum experience Title and #	Labs Title and # Or description	Research Title and # Or description	Other Title and # Or description
Articulation (including etiologies, characteristics, and anatomical/physiological, acoustic, psychological, developmental, linguistic, and cultural correlates)	3120, 3500, 6040, 6140	6100	6200, 6300			
Fluency (including etiologies, characteristics, and anatomical/physiological, acoustic, psychological, developmental, linguistic, and cultural correlates)	6030	6100	6200, 6300			
Voice and resonance, including respiration and phonation (including etiologies, characteristics, and anatomical/physiological, acoustic, psychological, developmental, linguistic, and cultural correlates)	6040, 6120, 6140, 6810	6100	6200, 6300			
Receptive and expressive language (phonology, morphology, syntax, semantics, and pragmatics) in speaking, listening, reading, writing, and manual modalities (including etiologies, characteristics, and anatomical/physiological, acoustic, psychological, developmental, linguistic, and cultural correlates)	3500, 5100, 5200, 6020, 6130, 6220					

Hearing, including the impact on speech and language (including etiologies, characteristics, and anatomical/physiological, acoustic, psychological, developmental linguistic, and cultural correlates)	5330, 6370					
Swallowing (oral, pharyngeal, esophageal, and related functions, including oral function for feeding; orofacial myofunction) (including etiologies, characteristics, and anatomical/physiological, acoustic, psychological, developmental, linguistic, and cultural correlates)	6040, 6120, 6140	6100	6200, 6300			
Cognitive aspects of communication (e.g., attention, memory, sequencing, problem solving, executive functioning) (including etiologies, characteristics, and anatomical/physiological, acoustic, psychological, developmental, linguistic, and cultural correlates)	6020, 6130, 6140, 6210, 6220	6100	6200, 6300			
Social aspects of communication (e.g., behavioral and social skills affecting communication) (including etiologies, characteristics, and anatomical/physiological, acoustic, psychological, developmental, linguistic, and cultural correlates)	2500, 6020, 6030, 6130, 6140, 6220	6100	6200, 6300			
Communication modalities (e.g., oral, manual, and augmentative and alternative communication techniques and assistive technologies) (including etiologies, characteristics, and anatomical/physiological, acoustic, psychological, developmental, linguistic, and cultural correlates)	2910, 5860/6860, 5870/6870, 6130, 6220	6100	6200, 6300			
Contemporary Professional Issues	Academic Course Title and #	Clinical Course Title and #	Practicum experience Title and #	Labs Title and # Or description	Research Title and # Or description	Other Title and # Or description
Standards of ethical conduct	6050					
Contemporary professional issues	6050					
Certification, specialty recognition, licensure, and other relevant professional credentials	6050					

Research	Academic Course Title and #	Clinical Course Title and #	Practicum experience Title and #	Labs Title and # Or description	Research Title and # Or description	Other Title and # Or description
Processes used in research and the integration of research principles into evidence-based practice clinical practice	6230					
Principles and Methods of Prevention	Academic Course Title and #	Clinical Course Title and #	Practicum experience Title and #	Labs Title and # Or description	Research Title and # Or description	Other Title and # Or description
Principles and methods of prevention, assessment, and intervention for people with communication and swallowing disorders across the life span, including consideration of anatomical/physiological, psychological, developmental, linguistic, and cultural correlates of the disorders	3120, 3500, 6040, 6210, 6140, 6030, 6120, 6810, 5200, 6130, 6020, 6220, 5330, 6370, 5860/6860, 5870/6870	6100	6200, 6300			
Interaction and interdependence of speech, language, and hearing in the discipline of human communication sciences and disorders	5330, 6040, 6370	6100	6200, 6300			
Clinical Skills and Processes	Academic Course Title and #	Clinical Course Title and #	Practicum experience Title and #	Labs Title and # Or description	Research Title and # Or description	Other Title and # Or description
Oral and written or other forms of communication	3120, 3650, 6040, 6120, 6140, 6030	6100	6200, 6300			
Prevention, evaluation, and intervention of communication disorders and swallowing disorders	3120, 6040, 6120, 6140, 6030, 6810, 5200, 6020, 6130	6100	6200, 6300			
Interaction and personal qualities, including counseling, collaboration, ethical practice, and professional behavior	6030, 6020, 6040, 6140, 6120, 6210, 6370, 6810	6100	6200, 6300			
Effective interaction with patients, families, professionals, and other individuals, as appropriate	5860/6860, 5870/6870, 6020, 6030, 6040, 6120, 6130, 6140	6100	6200, 6300			
Delivery of services to culturally and linguistically diverse populations	5860/6860, 5870/6870, 6030, 6040, 6120	6100	6200, 6300			
Application of the principles of evidence-based Practice	6230					
Self-evaluation of effectiveness of practice	3650, 6050	6100	6200, 6300
