CONDITIONS: The Terrel H. Bell Teaching Incentive Loan Program is effective for a term of not more than eight semesters, and each holder is entitled to an abatement of an amount equal to the tuition of the institution for each semester of enrollment. Applicants are required to declare their intention to complete a prescribed program of study required for a degree and teaching certificate, and, after completion of such work, to teach in the public schools of Utah. Failure to complete the program of study or failure to teach in Utah after its completion will incur an obligation to repay the amount received for the program as specified by law. Recipients are required to use the loan at the institution where they received the award for two consecutive semesters. The loan is non-transferable for two consecutive semesters.

GENERAL INFORMATION ON THE TERREL H. BELL TEACHING INCENTIVE LOAN PROGRAM

In 1984, the Utah legislature enacted legislation which provides funds in the form of tuition loans for students pursuing certification as teachers. The Teaching Incentive Loan Program provides payment of tuition for a maximum of 18 credit hours per semester for 8 semesters of college work.

Recipients of the Terrel H. Bell Teaching Incentive Loan Program are required, by state law, to teach in the Utah public school system on a semester for semester basis equal to the number of semesters the program funds were received. As an alternative, program recipients may reimburse the state for the assistance received if they decide not to teach on a full-time basis. Program recipients are expected to begin teaching within two years after the date of completion of the teacher preparation program.

Terrel H. Bell Teaching Incentive Loan Program recipients must maintain a minimum 2.75 grade point average throughout their program. If a student's GPA is below 2.75 at the end of any semester, the student will be placed on probation during the subsequent semester. If, at the end of the semester in which the student is on probation, the cumulative gpa is below 2.75, the student will be dropped from the program.
